ABOUT PROACTIVE NETWORK

We are non-profit association which was formed from an informal group Proactive Mind of 4 young people established in 2014. Over the years more people joined the team. Each of us specializes in different field and that gives us a complex approach when designing non-formal education activities.

WE WANT TO:

- 1) Support young people in education and personal development towards entrepreneurship, proactivity, solidarity, ecology and a healthy lifestyle
- 2) Connect active young people on local and international level
- 3) To support the members of the association in their personal development
- 4) Improve the quality of youth work at local and international level
- 5) Organize experiential, educational and volunteer activities
